

PACIFIC COAST MINIATURE HORSE CLUB NEWSLETTER APRIL/MAY 2008

A FEW WORDS FROM OUR PRESIDENT:

And we're off!

The first event we had this year was the General Meeting and Clinic held at the 4H Center at Ingall's Park on February 9, 2008. What a beautiful day and with more than 50 folks turning out for the event it was quite the success. Special thanks to Jeanne DeBruce for giving such informative information about Halter and Driving Training as well as Dawn Domenico for sharing some of her secrets on Grooming her horses to win! They were both well received, thanks again. I also want to thank R & R Ranch for coming and being a part of our day so folks could get stocked up on supplies for the first show.

The second event we had this year was our first show held at Ingall's Park Arena on March 15, 2008. With good old Southern California throwing every kind of weather you can get, all in one day, we managed to get in our first show and still got out by 9:30 pm. The club did well on our first show and a special thanks to all the youth that helped with the sale of raffle tickets and calling out the numbers. This is a fun thing to do at lunch time and anyone who can contribute something to the raffle would be greatly appreciated.

We don't have a regular schedule of Board Meetings. We plan each meeting as needed. Club members are welcome to attend any of the board meetings. Please feel free to call any of the board members to find out when and where the next meeting will be.

We continue to try to make this the best club we can and appreciate all suggestions and comments given to us for improvement.

Thanks for your continued support.

Sincerely, *Earl O'Bannon*
