SHOW TIME

Submitting Show entry forms:

Pre-registering saves you and show officials time on show day. All entry forms must be accompanied by a photocopy of each horse's ASPC/AMHR/ASPR registration papers (FRONT AND BACK). If registration is not correct, your entry will not be processed. Late charges will apply if correct registration is not received by the show manager on or before the Pre-entry close date. A copy of the exhibitors ASPC/AMHR/ASPR 2019 amateur card is required for all those exhibitors entering amateur classes.

Measurement of Horse

AMHR only: All horses must be measured at least once a year. Horses 3 years or older with a "permanent" status need to be measured at their first show for the current year, if you have a Measurement Card from AMHR for your horse give it to the show steward when it is measured.

It is advised that if your horse has been measured at another 2019 show, bring the measurement slip or permanent card to present to the Show Manager or Show Steward if requested.

ASPC/ASPR only: If your horse is 6 years or older with a permanent card they need to be measured at their first show for the current year. If you have the permanent measurement card from ASPC/ASPR for your horse, give it to the Show Steward when in it measured.

A "Temporary" registered horse must be measured every 60 days.

If your horse has been measured in 2019 at a show hosted by another club, submit a copy of the measurement form to the show manager, otherwise your horse will have to be measured.

Your horses cannot have any articles of clothing on them at measurement time, ASPC/AMHR/ASPR requires that the Show Steward match the horse versus its registration papers to assure that the information on the registration is correct, especially the color markings of the horse. If you pre-register and submit a copy of the registration papers, it is still a good idea to bring an extra copy with you.

Back Numbers

A new back number will be issued to each horse at each show. The back numbers will be given upon check in and payment of entry fees at the show office. Please try to return your back numbers at the end of each show.

Hi-Point Rules

AMHR Hi Point

The AMHR/ASPC/ASPR horse must be shown at ALL PCMHC shows in a specific class to be eligible for a year end award in that class. Points will be accrued when membership and nomination requirements have been met.

Foals of current year will be awarded on accumulation of points. The foal must be shown in subsequent shows after their first show.

If a horse changes from "A" to "B" or "B" to "A", or from stallion to gelding all points accrued will follow that horse. Points stay with the horse unless it is a youth, amateur or showmanship class, the horse/handler combination dictates how points are accumulated. Points do NOT follow from AMHR to ASPC or ASPC to AMHR.

*****New for the 2019 Show Season**

We are returning to the former high point program where each class will be given recognition, HOWEVER, a class must be sponsored with a minimum \$100 sponsorship to receive a year end high point award. Champion and Reserve Champion awards will be provided to classes that have had a paid sponsor only. A certificate of achievement will be presented for all nonsponsored classes. The hi-point fee has also been lowered from \$15 to \$10.***

Point system:

- 1st place 6 points
- 2nd place 5 points
- 3rd place 4 points
- 4th place 3 points
- 5th place 2 points
- 6th place 1 points

In addition to the points above, 1 point will be awarded for every horse in the class that your horse placed over.

****NEW Classes being offered!****

We are adding a few new and exciting classes! Look for Carriage Driving, Versatility, and Youth Western Stock classes when the show premiums are published. There will also be Open halter and driving classes for unregistered miniature horses, ponies, and mules/donkeys.
