

HAPPY THANKSGIVING and HOLIDAYS November/ December 2011 Newsletter

Hello PCMHC!!!!

What a wonderful team you guys have put together for your 2012 Show Season! In the Board Members slots we have Catherine Brigman, Christine Godin and Laura McIntyre. So that's a good start right? Then the Treasurer is Gina Russell, Secretary is Denise Purcell, Vice President is Barbara Whittington, followed by me, Earl O'Bannon as the President. I feel very honored to be working with this group of people to help make 2012 a great year for PCMHC!

We have already been working on getting things rolling; talking to arena's, getting bank signature cards changed, Web page transferred, newsletter out, membership packets together. All the things you guys expect us to be doing we are doing!

Our first meeting will be on November the 19th at my house to really get things in motion. A lot of assignments have been made but there are many more yet to be done. There is always a need for someone to haul the trailer back and forth to the shows so if anyone can do this for the season please let me or any of the board members know, that would be great.

One of the things we want to work on is letting everyone know what we have. The newsletter has a section for sales items as well as the web site. Many of us have wonderful animals for sale right here in southern California and many would be glad to haul a horse if needed. Please get your information out there so we can tell prospective buyers where to go and who has what. It can be horses or horse related items, so get your information to Laura McIntyre so she can get it in the next newsletter.

As far as the show season goes, I want to encourage all members to enter as many classes as they can. Every horse in three to four classes would be a great season. Bring that horse that's been standing out in pasture, they want to be a part of the fun too. We will be going back to the basics and hitting our marks so we can continue to grow. With camaraderie, encouragement, and team spirit we will have a great year! We all appreciate this club and the ability to be a part of AMHR so let's all work together to help everyone have a great season.

Your Friend,
Earl

REMINDERS:

If your horse obtained Hall of Fame status this year please send a picture of the horse to steppinout@charter.net

RANCH NEWS

OBR Ranch is offering two nice show horses for sale:

OBR Wind Storms Keira is a two year old black filly turning three next year. She is half Arenosa and very small for the breed. Could be a nice driving mare.

OBR Oh Danny Boy is a Two year old Gelding also turning three next year. He is a very sweet boy and could be used for anything you wanted to do with him. He is great with children and will probably be a nice driving gelding next year.

For either one please enquire with Earl O'Bannon at 951-830-9797.
